Touchpad: Multi-gesture touchpad, supporting two-finger scroll; pinch; gestures to open Cortana, Action Center, multitasking; application commands
Control Keys: Volume up and down keys, Windows key
 Accelerometer (G-sensor)

Sensors

Windows Desktop apps

- Acer Care Center
- Acer Portal
- abFiles
- abPhoto
- Accessory Store
- McAfee® Internet Security

Warranty

One-year International Travelers Warranty (ITW)

1. Specifications vary depending on model.
 2. 64-bit software is required to enjoy the advantages of 64-bit processing.
 3. Shared system memory may be allocated to support graphics, depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by any memory used by the graphics solution and resources required by the operating environment.
 4. Memory speed may vary, depending on the CPU, chipset or memory fitted.
 5. A 64-bit operating system is required to enjoy the ultimate performance of 4 GB or higher memory.
 6. 1 GB is 1 billion bytes, 1 TB is 1000 GB. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment. Recovery Management uses a portion of the stated hard disk capacity as dedicated backup space.

7. Weight may vary depending on product configuration, vendor components, manufacturing variability, and selected options.
 8. The listed battery life is obtained by simulating watching video clips stored on the mobile device. The test clip loops and continues to run without interruption or any other inputs, until the battery is drained. Stated battery life is for comparison purposes only. Actual battery life varies by model, configuration, applications, power management settings, operating conditions, video clip format, and features used. A battery's maximum capacity decreases with time and use.
